### **Behavior Guidelines**

The Desert Museum is committed to creating a fun and safe environment for all campers. Clear and consistent age-appropriate rules are established with the campers on the first day of camp.

Our 4 core expectations for all campers and staff are:

- **Respect:** Individuals are expected to respect each other, themselves, Desert Museum property, and the environment.
- **Mindfulness:** Individuals are responsible for their own actions.
- **Safety:** Individuals will follow directions and always stay with the group.
- **Kindness:** Individuals will try to be a positive member of our camp community by showing kindness to themselves and others.

Campers and staff are expected to follow these expectations when at the Desert Museum. Bullying and disrespectful behavior of any kind is not tolerated.
