

Welcome to Camp at the Arizona-Sonora Desert Museum

The goal of Desert Museum Camps is to foster a sense of belonging through sparking interest in science and the outdoors, creating fun and tangible learning opportunities, and building community and self-awareness.

Follow the signs to the Event/Staff parking area. From the Museum entrance, take a slight right and continue to the 4-way stop. Proceed straight through the 4-way stop and look for green star shown on the map below. An adult must accompany a child for both drop-off and pick-up. A directional map is at the bottom of this packet.

Campers will be participating in various activities that involve running, jumping, playing, and maybe getting messy. **Campers MUST wear sturdy, closed-toe shoes daily.** Check the daily weather and send your camper dressed accordingly.

Face masks are optional in all areas. We encourage families to follow the most current CDC guidance to mitigate the spread of COVID-19 and make choices and precautions that align with one's personal health status and level of risk.

Bring daily, packed in a backpack, book bag or other easily carried bag:

- Full refillable water bottle
- Sun protection (hat, sunscreen, sunglasses)
